

Dandy Dog * Dog Training

Training Good Dogs to be *Great* Dogs Since 1987

Your dog is a big part of your family and deserves to not only be a great pet for you, but the very best companion.

Dandy Dog

Professional Dog Training —

- * Will help your dog learn good behaviors and manners, to be more obedient, through the use of commands.
- * Will also help you with behavior issue resolution. You will learn dog psychology - how your dog thinks and why he behaves the way he does.
- * Interested in preparing for your Canine Good Citizen? We are here to help with a successful passing of the CGC test. Training provided in your own home. You will be part of the fun training process as you learn how to communicate more effectively with your canine friend.

We specialize in:

- Obedience Training
- Behavior Modification/Issue Resolution
- Puppies to Adult dogs of all ages

CALL US TODAY for a free evaluation of your dog's behavior, or to schedule your first training session:
